

St. Anne's Degree College for women

M.Sc (Psychology)

Programme Outcome

Master's degree in psychology has been one of the most sought-after courses in the recent years. The need for psychological assistance and guidance has been increasingly recognized by all the section of the society and there is a dearth of qualified and trained professionals in the field. The present curriculum has been framed to bridge this gap by providing a theoretical foundation along with practical training via a wide range of specializations. The Curriculum encourages a teaching pedagogy which emphasizes holistic development of the student.

The curriculum is designed to enable facilitation of psychology masters graduate to apply theory into practice as psychologists/counselors/psychometricians/trainers/OD consultants in different settings. Further the curriculum equips the student/learner to be equipped to taking competitive examinations conducted by UGC/ICSSR/ state and central civil services boards and the like.
